PAPERWORK REDUCTION ACT STATEMENT. 49 United States Code (49 U.S.C.) § 44936(f), Records of Employment of Pilot Applicants, as amended, requires all air carriers to request FAA records and Air Carrier and Other Records concerning an individual before allowing that individual to begin service as a pilot. 49 U.S.C. § 44936(f)(8) requires the FAA Administrator to promulgate standard forms to request records. The information entered on the standard forms will be used to facilitate search and retrieval of the required records. It is estimated that the average burden per respondent associated with the collection of FAA Records [this collection] is 10 minutes. If you wish to comment on the accuracy of this estimate or submit suggestions for reducing the burden, you may write to: Federal Aviation Administration, Air Transportation Division, AFS-200, 800 Independence Avenue, SW, Washington, DC 20591. The requirement to collect background information on the pilots before allowing the pilot to begin service is mandatory; the use of this form is not. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The control number assigned to this collection is 2120-0607.

Part I: To be completed by the Air Carrier.

1. All entries, except for signature, must be either type written or printed legibly with black or dark blue ink.
2. The name, title, and signature of the person making the request on behalf of the air carrier must be legibly entered.
3. A complete mailing address must be furnished to which FAA can mail the requested records.

Part II: To be completed by Airman/Applicant.

1. All entries, except for signature, must be either type written or printed legibly with black or dark blue ink.
2. In the first blank, type or print your name as it is shown on your airman certificate(s).
3. Type or print your airman certificate number(s) in the blank provided. In parenthesis after the certificate number, indicate the type of certificate by using S (Student), P (Private), C (Commercial), F (Flight Instructor), G (Ground Instructor), or A (Airline Transport Pilot). If you have multiple certificates with the same certificate number, list the certificate number once and indicate the types of certificates in parenthesis. For example, if you hold an Airline Transport Pilot Certificate as well as Flight Instructor and Ground Instructor Certificates using the same number, you should indicate as follows: Certificate No. 456231234 (A, F, G)

Part III: To be completed by Airman/Applicant.

1. 49 U.S.C. § 44936(f)(6) requires the person receiving a records request to notify the airman of the request, and further entitles the airman who is the subject of the request the right to receive a complete copy of all FAA records furnished in response to a request made by the air carrier listed in Part I of this request. Because FAA Form 8060-10 provides the airman with this notification, a separate notification from the FAA would be redundant. The airman's signature on Part III waives the requirement of 49 U.S.C. § 44936(f)(6) that the FAA also provide separate notification of the request and the airman's right to receive a copy of all records furnished in response to the request.
2. Check the appropriate box to indicate whether you DO or DO NOT want a copy, date & sign in ink using your legal signature. If requested, copies will be mailed to the official address shown in your airman records.
